

2025 ONAPA WINTER STEWARDSHIP PROJECTS

April-early May 2025

For more information & to register, please visit www.onapa.org.
 Project registration is recommended so we can plan ahead appropriately.
 If the project is cancelled due to weather, it will be posted on the website
 & you will receive an email the day before. The project may be rescheduled.

NOTE: Projects in April may be cancelled if ONAPA is conducting prescribed burns.
 Be sure to check the ONAPA website and/or Facebook before heading out to the project.
