

ONAPA STEWARDSHIP PROJECTS FOR JUNE - JULY 2026

Project registration on the ONAPA website is highly recommended so we can plan ahead appropriately. If the project is cancelled, it will be posted on the website and our Facebook page; you will receive an email the day before, if you registered. The project will likely be rescheduled. Detailed descriptions of the projects, with directions to the preserve, are posted on our website at www.onapa.org.
